

START

(Song ends. Black-out. Lights up on JEANNIE, still stuck on her porch, but now huffing the cooking spray DUKE left behind. PIPPI enters.)

PIPPI

Jeannie?

JEANNIE

Pippi! Oh, Pippi, I got locked outside my trailer 'cause this crazy guy came lookin' for you and –

PIPPY

I know, it's Duke. And he's fixin' to shoot up this entire trailer park so now would be a really good time for you to get on outta here.

JEANNIE

I gotta be inside. Pippi, can I come inside your trailer?

PIPPY

Jeannie, I'm serious. I know Duke, and you do not wanna mess with him when he's been shoppin' at Costco.

JEANNIE

But I get these awful panic attacks and –

PIPPY

Jeannie! We do not have time for this. You can stay or you can go. It's your choice, but me? I gotta go pack.

(PIPPY turns to go into her trailer.)

JEANNIE

You're leavin'? You bring that psycho crazy man into our trailer park and then you leave?

PIPPY

Look. If I leave, Duke will follow. And I can handle him better than ya'll.

JEANNIE

But what if you're wrong? What if he don't follow you?

PIPPY

Well, gee, Jeannie. Thanks for bein' concerned about my well-bein'. I guess noone's gonna miss the town slut so how 'bout I just take one for the team and ya'll don't have to bother sayin' thanks.

JEANNIE

Thanks? Thanks for what? Blowin' into Starke and blowin' everything in sight?

(PIPPY drops her bag.)

#12A BITCH FIGHT

PIPPY

Easy, Jeannie.

(The GIRLS enter with their suitcases still in hand.)
